

MMLI SYMPOSIUM

MARCH 23-25, 2022

Join the inaugural Molecule Maker Lab Institute Symposium, three days of engaging sessions to share your research, expand your network, and build collaborations at the interface of chemistry and artificial intelligence.

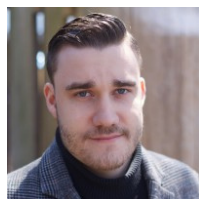

March 23

David Baker
Keynote

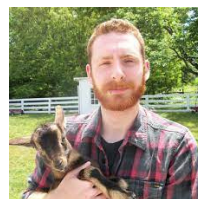

Teodoro Laino

Riley Hickman

Tonio Buonassisi

Jon Bogart

Benji Maruyama

March 24

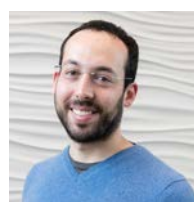

Kyunghyun Cho

Hongwei Wang

Jiaqi Guan

Tom Hope

Nick Jackson

Seungjoo Yi

March 25

Abigail Doyle

Sarah Reisman

Casey Olen

Kevin Yang

Ocean Cui

REGISTER TO ATTEND AND PRESENT A POSTER

moleculemaker.org/about/events/mml-i-symposium-2022

Questions? Email moleculemaker@illinois.edu

MARCH 23 AGENDA

All times are listed in Central Time.

12:00PM: Lunch

Beckman Atrium

12:45PM: Opening Remarks

Gene Robinson and Huimin Zhao

1:00PM: Keynote Talk by David Baker

Henrietta and Aubrey Davis Endowed Professor, Biochemistry, University of Washington

2:00PM: Teodoro Laino

Distinguished RSM, Manager, IBM Research

2:40PM: Riley Hickman

Graduate Student, Chemical Physics, University of Toronto

Break

3:10PM: Tonio Buonassisi

Professor, Mechanical Engineering, MIT

3:50PM: Jonathan Bogart

Postdoc, Chemical and Biological Engineering, Northwestern

4:05PM: Benji Maruyama

Autonomous Materials Lead, Air Force Research Lab

IN-PERSON LOGISTICS

All talks will be held in the Beckman Auditorium at the Beckman Institute at the University of Illinois Urbana-Champaign.

405 North Mathews Ave, Urbana, IL

Speakers will be joining both in-person and virtually.

Please reach out to Celine Young, chyong@illinois.edu for accommodations.

MARCH 24 AGENDA

All times are listed in Central Time.

12:00PM: Kyunghyun Cho

Associate Professor, Computer Science and Data Science, NYU

12:40PM: Hongwei Wang

Postdoc, Computer Science, UIUC

1:20PM: Tom Hope

Assistant Professor, Computer Science, Hebrew University of Jerusalem and
Research Scientist, Allen Institute for AI (A2I)

2:00PM: Jiaqi Guan

Graduate Student, Computer Science, UIUC

Break

2:30PM: Nick Jackson

Assistant Professor, Chemistry, UIUC

3:10PM: Seungjoo Yi

Graduate Student, Materials Science and Engineering, UIUC

3:30PM: Poster Session (In-Person)

Beckman Room 1005

MARCH 25 AGENDA

12:00PM: Abigail Doyle

Saul Winstein Chair in Organic Chemistry, UCLA

12:40PM: Sarah Reisman

Bren Professor of Chemistry, CalTech

1:20PM: Casey Olen

Graduate Student, Chemistry, UIUC

Break

1:50PM: Kevin Yang

Senior Researcher, Microsoft Research

2:30PM: Ocean Cui

Postdoc, Chemical and Biomolecular Engineering, UIUC

2:45PM: Poster Session (Virtual)
